

Buff - Headscarf

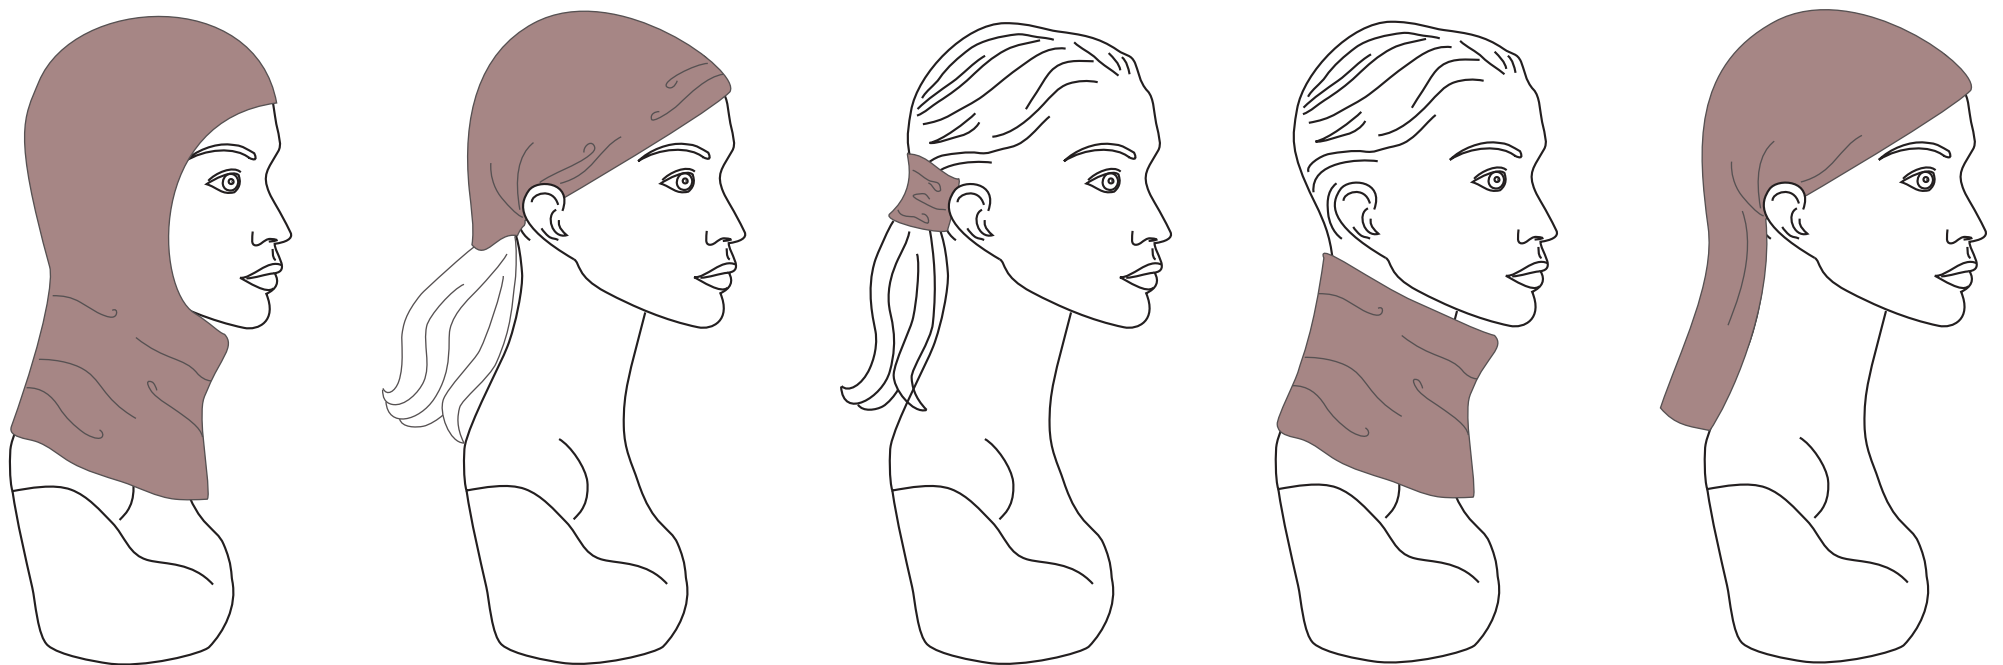

Buff can be worn in multiple ways, here are a few different ways you can wear your Buff.

Cap - Turn your Buff inside out, put onto your head and twist then fold back down to form a cap.

Hair band

Scarf

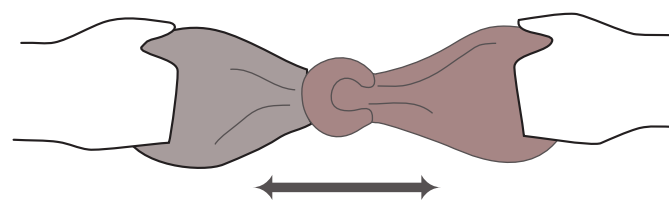

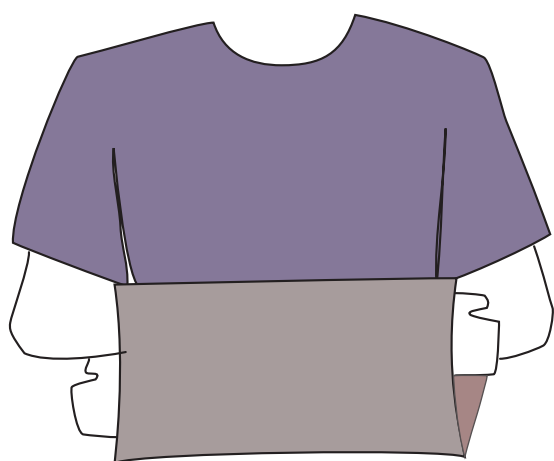

Balaclava

Hair through

Hair band

Neck Scarf

Hair Scarf

Turn your Buff inside out, put your arms into the Buff, grab hold of each side and pull through. A knot will form in the center, make the right side side a little bigger by moving the knot away and then place the bigger correct side on your head pull to perfect the shape and fit.
